

TITANWALL

Fence & Retaining Wall System

Titanwall brings you an exciting alternative to the common fencing choices. Our structural panel system delivers a fence with unbeatable benefits:

EASY INSTALLATION

- pre-fabricated for quick and easy installation
- straight, plumb fence line every time

SAFETY

- fire barrier
- sound barrier

VERSATILITY

- residential, commercial, industrial
- various heights, thicknesses and style options
- flexible finishing - paint, stucco, brick, stone, and specialty finishes

STRENGTH AND DURABILITY

- excellent fastener pull-out, adhesion and structural load strength
- strong enough to support large gates, heavier finishing and retaining wall loads
- low maintenance – will not rot or deteriorate
